

Bus Map Tips

When you plan a bus trip, ask yourself:

- Where do I need to go?
- What time do I need to be there?
- What **bus line** runs close to where I am and to my **destination**?
- Which **schedule** should I look at? Am I traveling on a **weekday** or a **weekend**?
- Where will I get **on** the bus? Which stop is closest to where I am?
- Where will I get **off** the bus? Which stop is closest to where I'm going?
- What time do I have to **get on** the bus in order to get to my destination on time?
- How long will it take me to get from where I am **to the bus stop**? What time do I need to leave to get to the bus stop on time?
