Cash Back Tips

What are big bills?
- A **big bill** is worth more than $20. So in this game, the big bills are the $50 and $100 bills.

How do I count cash back?
- Find out **how much** money you need to give the customer.
- Choose a **bill**. Ask yourself, is this enough?
- If you don't have enough, add another bill. Ask yourself, how much are these two bills worth **together**? Is this enough?
- If you don't have enough, add another bill. Keep adding bills until you have **exactly** the right amount. Now you can give it to the customer.
